

JOB POST • WE ARE HIRING

Site Engineer

Civil Engineering

KARMA Group / KARMA Construction

LOCATION

Famagusta District

EXPERIENCE

3-5 years

KARMA Group / KARMA Construction is seeking to recruit a **Site Engineer – Civil Engineering** to join its Construction team.

The successful candidate will be responsible for the day-to-day supervision and coordination of construction works, ensuring that projects are executed in accordance with approved drawings, specifications, quality standards, programme requirements and Health & Safety procedures.

KEY RESPONSIBILITIES

- Supervise and coordinate daily construction activities.
- Ensure works comply with approved drawings, specifications and quality requirements.
- Coordinate subcontractors, suppliers, foremen and site teams.
- Liaise with architects, engineers, consultants and other project stakeholders.
- Monitor project progress and identify potential delays or construction issues.
- Carry out site inspections and monitor workmanship and materials.
- Support Health & Safety compliance across site activities.
- Check quantities and provide technical support for variations and valuations.
- Monitor material requirements and site deliveries.
- Maintain accurate site records and progress documentation.
- Assist with RFIs, snagging, as-built information and project handover.

CANDIDATE PROFILE

- Bachelor's degree in Civil Engineering.
- Registration with, or eligibility for registration with, ETEK.
- **3-5 years of relevant experience** in construction/building projects, with focus on the residential sector – individual & community housing and apartment projects.
- Strong knowledge of construction methods, drawings and specifications.
- Very good knowledge of AutoCAD.
- Good knowledge of MS Office; knowledge of MS Project or similar software will be considered an advantage.
- Very good command of Greek and English.
- Strong organisational, communication and problem-solving skills.
- Ability to work effectively in a fast-paced construction environment.
- Valid driving licence.

LOCATION

Construction sites primarily within the **Famagusta District**.

WHAT WE OFFER

- ✓ Competitive remuneration package.
- ✓ 13th salary.
- ✓ 22 annual leave days.
- ✓ 3 paid sick days.
- ✓ Professional development opportunities.
- ✓ Participation in high-quality residential construction and development projects.
- ✓ Professional and collaborative working environment.
